

IS YOUR BUSINESS LEAVING MONEY ON THE TABLE?

Conagra Foodservice is Proud to Introduce: **Growth Machine**

A new tool that gives operators critical trend and consumer insights necessary to thrive in a competitive landscape. Based on over 7,500 consumer responses from across the U.S. and customized for your operation.

What's The Occasion?

Analyze menu items by occasion and time.

Do You Have Global Appeal?

Get in depth analytics on customers' pallets.

Who Are The Consumers?

Evaluate the surrounding populace through multiple lenses.

Who's The Competition?

See who your competitors are and what they are serving.

Based on your input, we'll provide you with consumer insights and menu ideas specific to your issues, interests, and challenges. Experiment and research as often as you'd like because Conagra understands how important knowledge can be in today's competitive marketplace.
